HOUSING • HEALTH • HOPE

30th May 2024

We are saddened to announce that from the end of June 2024, The Clubhouse Network, Safe Spaces and Staffordshire Mental Health Helpline will come to an end.

After 20 years of operation, these services will no longer be available due to the discontinuation of funding from Staffordshire and Stoke On Trent Integrated Care Board. This is a significant loss for Brighter Futures' customers and the wider community, and the decision will impact many individuals who rely on these services for support.

Unfortunately, the future funding prospects are uncertain, and despite our efforts, we have not received any information about what will be funded moving forward. As a result, Brighter Futures does not expect to receive any further funding to sustain these important and much valued services

We would like to express our gratitude to all the partners who have supported us throughout the past 20 years, our customers who have played a pivotal role in shaping the services that we provide, and our dedicated colleagues who have gone above and beyond to support the well-being of others.

Brighter Futures Leadership Team
